

What is the title of the video you watched? Who was the presenter?

--

Name: _____

How did you like the video?

--

What are the presenter's main points?

--

Are there any points you disagree on? What are they and why?

--

What are some words you learned from it?

What is one fact from the presentation that surprised you?

--

Write example sentences of the words you learned.

Think of an idea for a new TED presentation. Who will give it? What will he/she talk about?

--

If you watched the first time with subtitles, watch it again without them.
